JEV with two to four references matches or beats CLIP given the same references

Filled circle: with two to four references; open circle: zero-shot; triangle: CLIP with a learning set and the rule of the CLIP paper (baseline: 50 images per class, 10 for pans; paper sets: 20 to 700 images); diamond: the same, with a threshold tuned by leave-one-out. Dashed line: the CLIP baseline.
